Eat the Rainbow!

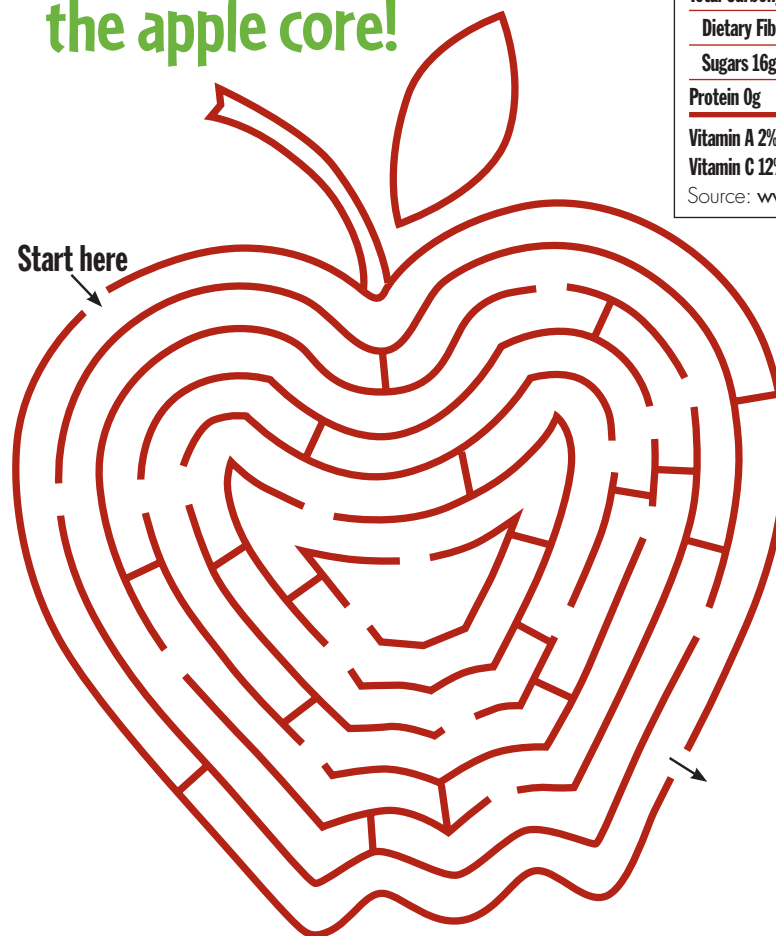

Fruits and vegetables come in a rainbow of colors. Eat a variety of colorful fruits and vegetables every day — red, yellow/orange, white, green and blue/purple. Apples can be red, yellow or green.

- Red fruits and vegetables help maintain a healthy heart and memory function. Examples include red apples, red grapes, red pears, tomatoes, beets, red peppers and radishes.
- Yellow/orange fruits and vegetables help maintain a healthy heart, vision and immune system. Examples include yellow apples, yellow pears, apricots, oranges, carrots, sweet corn and yellow tomatoes.
- Green fruits and vegetables help maintain healthy vision and strong bones and teeth. Examples include green apples, green grapes, green pears, artichokes, green beans, sugar snap peas and green peppers.

What is a Serving?

A serving of apples is one medium fruit. This is about the size of a baseball.

Find your way through the apple core!

Answers: 1. C, 2. B, 3. D
